ODCHS news from the President

Let me begin by saying thank you for all you do to help keep our friends happy and healthy. We must continue our fundraising in order to do this. I'm sure that it becomes more difficult each year to find the resources for the animals. Somehow we all do. Without your love, volunteering and financial support the Dale County area would not have a "no kill" shelter. We do everything we can possibly do to make sure that each lost friend finds a forever home. We will continue to do that if you will continue to support it. Everyone has something they do best. That is all we ask of you. Thank you. Judy Neher

Donation information Tip

When you send in a donation to the Humane Society the check goes to a post office box. That is checked by the Treasurer and documented. Your name/amount is then sent on the the Corresponding Secretary. This process sometimes takes 4-6 weeks. The CS will then send the donor a thank you note, letting you know that it has been properly noted. That note may also serve as a receipt for your tax purposes. A single cancelled check under the amount of \$250.00 may be used for your taxes also. Any amount over that must have a receipt from the 501(c)3.
